**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
AND INTERVIEW SUMMARY**

Dear Sir:

Applicants call attention to the previously submitted and considered Information Disclosure Statements, documents addressed herein and listed on the attached form PTO-1449.

This filing is being made to clarify the identified informalities in previously submitted PTO-1449 forms, the status of reference consideration, and to supplement the Information Disclosure Statement mailed October 21, 2005.

The documents are in the English language; hence no concise explanation is necessary per Rule 98(a)(3).

Examiner Sterrett is thanked for the teleconferences conducted with Applicants' representative, Mr. Hunter, on December 19 and December 28, 2005. During the teleconferences, the previously filed Information Disclosure Statements were discussed. Examiner Sterrett clarified that he has in fact reviewed and considered the English translations and the figures of JP 2001-352748, and the English translation of the Japanese Office Action for Japanese Patent Application No. 2003-362674 corresponding to US 10/621,058, despite the lack of signatures on the PTO-1449 forms.

CERTIFICATE OF TRANSMISSION BY FACSIMILE

I hereby certify that this correspondence is being transmitted by facsimile to the Patent and Trademark Office on the date indicated below.

Attorney's Docket No.: MP0237 / 13361-049001

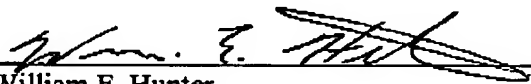

Examiner Sterrett expressed concern that breaking out the various parts and translations of JP 2001-352748 on the PTO-1449 form creates the false impression that there are multiple references where in fact there is only one. Examiner Sterrett also indicated that the Japanese Office Action for Japanese Patent Application No. 2003-362674 should not be listed on the PTO-1449 form because he believes this reference cannot be printed on the face of the issued patent. Thus, Examiner Sterrett lined through these entries on the PTO-1449 form even though the references were fully considered, which is expressly noted in the comments section of the notice of allowance mailed November 2, 2005. Examiner Sterrett requested submission of this supplemental Information Disclosure Statement to resolve Applicants' concerns about the lack of signed PTO-1449 forms and clarify that these reference have in fact been reviewed and considered.

In addition, the comments section of the notice of allowance mailed November 2, 2005 states that the information disclosure statement filed October 21, 2005 partially fails to comply with 37 CFR 1.98(a)(2). Examiner Sterrett is thanked for his verbal confirmation that this paragraph only refers to the JP 10-075164 and JP 10-023743 references. Translations of the figures for JP 10-075164 and JP 10-023743 are submitted herewith to supplement the translations of the specifications submitted previously. Consideration of the foregoing and enclosures plus the return of a copy of the enclosed form PTO-1449 with the Examiner's initials in the left column per MPEP 609 are earnestly solicited.

Please apply any necessary charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: December 29, 2005
